Complete the dialogue with the expressions to ask for clarification.

Does that make everything clear? - Sorry, could you go over that again? - What exactly do you mean? - So are you saying...? - Is that clear?

Helena: Hi, Dr. Ferreira.

Dr. Ferreira: Hi, Helena! Good to see you. Is everything ok? How can I help you?

Helena: I haven't been feeling well lately. I think I might be sick.

Dr. Ferreira: \_\_\_\_\_

Helena: I don't know. I am feeling weird and with terrible headaches this week.

Dr. Ferreira: Ok, did you bring your exams?

Helena: Yes, they are here.

Dr. Ferreira: Well, I can see that your blood tests are not good. Your vitamin D is deficient.

Helena: \_\_\_\_\_

Dr. Ferreira: I am saying that your headaches might be because of your vitamin D levels.

Helena: \_\_\_\_\_

Dr. Ferreira: Sure. Vitamin D is essential for your health and is produced through sunlight absorption. Have you been sunbathing?

Helena: Not really. I work in an office.

Dr. Ferreira: Well, that is an essential part of your health. You need to sunbathe regularly for at least 15 minutes.

Helena: Yes, it does. Thank you so much for the explanation

Dr. Ferreira: No problems. Here is your prescription for some vitamin D. You have to take 1 pill a day.

\_\_\_\_\_ These will help your headaches get better soon.

Helena: Yes, it is! Thank you, Dr. Ferreira.
